CAMPING FORM

Electric Hook-up $30.00/night
Self-contained $26.00/night

Water is available at the camp site in three different locations, and a dump station is located on the grounds. Exhibitors will be given first priority on electric hook-ups.

The Michigan Great Lakes International Horse Show Committee will be responsible for assigning camping hook-ups and for collecting camping and self-contained RV parking fees. It will be necessary to make camping reservations in advance and to include your camping and self-contained RV parking fees with your horse show entry fees. A space is provided on the horse show entry blank for this purpose.

There is **NO** overnight camping or parking allowed on Michigan State University property, other than in a designated campground or in an area that has been set aside for that purpose. Exhibitors entered in Section A through G will be given priority in the campground located on the west side of the Pavilion. Those exhibitors entered in Section H may park overnight on the east side of Farm Lane, however, there is no electric or water available and there is an overnight self-contained camping fee of $26.00 per night.

You may purchase your camping and overnight parking permits by completing this form and enclosing it and your fees with your entries. **Those who do not comply with this regulation will be ticketed by the MSU Department of Public Safety**
