PLEASE READ THE RULES & INFORMATION IN THIS PREMIUM BOOK

The Michigan Great Lakes International Draft Horse Show and Pull (MGLI) invite you and your family to the largest annual draft horse and mule competition of its kind in North America. This mid-October event in East Lansing, Michigan hosts the cream of the crop from four of today's largest draft horse breeds. In addition, featured mule classes, horse pulls, and obstacle course competitions round out the jam-packed show schedule. Without a doubt, there is something for everyone at this 45th annual show.

The four-day show schedule begins with mule halter classes on Thursday morning and finishes up with the breathtaking Classic Series Six-Horse Hitch class on Sunday afternoon. In between there will be numerous opportunities for you to enjoy halter classes, hitch classes, horse pulling contests, and obstacle course events. Numerous classes for youth exhibitors are also featured at this show in our attempt to generate interest and pave the way for the future caretakers of the heavy horse industry.

In addition to the daily show in the arena, multiple vendors will be onsite offering hundreds of unique equine items and Michigan-made products. On Friday and Saturday evenings, plan to watch the "big boys" demonstrate their power during the light- and heavyweight horse pulling competitions.

The beautiful massive horses that helped build America will be on display. Don't miss this opportunity to get up close and personal with these extraordinary gentle giants of the industry. Bring your family and friends to share this excitement. One thing that can be guaranteed – after attending this event, your love and fascination with heavy horses and mules will only be stronger. We look forward to seeing you in October.

Anyone that damages or destroys Michigan State University property will be held liable and responsible for cost of repairs or replacement.

NO SMOKING

The Pavilion is a smoke-free building. Smoking is not permitted in any part of the Pavilion. Please extinguish all smoking materials and dispose of them properly before entering the building.

DOGS

NO DOGS ARE ALLOWED IN THE PAVILION EXCEPT SERVICE DOGS.

DOGS ARE ALLOWED IN THE CAMPING AREA AND THEY MUST BE KEPT ON A LEASH AT ALL TIMES.

ALCOHOL

No alcoholic beverages of any kind are allowed on Michigan State University property. Those who violate this regulation will be asked to leave the premises. Those in violation are also subject to arrest.

RECEPTION OF ANIMALS

The Pavilion will be open to receive animals at a time designated by the organization or group that is leasing the facility. Please check in advance as to the time the Pavilion will be open to receive animals for your event.

STALLS & ADDITIONAL STABLING

To make maximum use of the Pavilion for stabling it is necessary to **LIMIT** the number of box stalls that an exhibitor may have. An exhibitor with five horses or less may have one (1) box stall. Exhibitors with six horses may have two (2) box stalls. Exhibitors with seven or more horses are limited to three (3) box stalls. *Exhibitors with 2 or less horses are limited to 1 tack stall. * (Tie stall)

No tents will be available

HORSE TRAILER & TRUCK PARKING ---

Parking space for horse trailers and large trucks is somewhat limited in the parking lot adjacent to the Pavilion. If you do not need to use your trailer or truck during the event, park your vehicles in the parking lot north of Mt. Hope Road or on the East side of Farm Lane across from the Pavilion. Please observe THE NO PARKING AREA SET ASIDE FOR TRAILER-IN EXHIBITORS. (South side of Pavilion.) These parking lots are within easy walking distance of the facility.

TRAILER-IN EXHIBITORS ---

Showing out of a trailer will be allowed at the Michigan Great Lakes International. A special parking area will be provided for this purpose at the south end of the Pavilion. The Committee requests that you vacate this area when you have finished showing in your respective classes thus allowing other exhibitors to use this space the following day. It will still be necessary for trailer-in exhibitors to pay the "per horse fee" when making entries. (PHAM included)

UNLOADING & LOADING ---

The unloading or loading of animals from trucks or trailers is not permitted inside the Pavilion unless special permission is given by the Pavilion management. Unloading or loading of animals is not permitted on grass areas. Tack, feed and equipment may be unloaded and loaded inside the Pavilion from a pickup truck, trailer or car. The vehicle must be moved as soon as unloading or loading is completed. Extreme caution must be observed when entering or exiting the Pavilion with your vehicle.

STALLS & STALL DECORATIONS ---

NO STALLS CAN BE ALTERED OR CHANGED WITHOUT THE

PERMISSION OF PAVILION MANAGEMENT. No nails, staples, tacks, screws, glue or bolts can be used to fasten stall decorations to the stalls or any other part of the building. It is suggested that plastic wire ties or fine wire be used. Stall decorations should be made of, or treated with, a fire-retardant material. Anyone defacing stalls or any part of the Pavilion with paint or any other material will be responsible for the damage and will be asked to leave Michigan State University property.

FIRST AID ---

Should you need first aid or emergency service of any kind, go directly to the event show office and the Public Safety Department at Michigan State University will be called.

VETERINARY ---

A veterinarian will be on duty at all times during the show.

BEDDING & MANURE ---

Wood shavings or straw may be used for bedding. All manure must be deposited in the manure pits that are located on the East and South sides of the Pavilion. Please remove all cans, glass, paper, bale ties and wire from manure before placing it in the pits.

WASH RACKS ---

Animals can only be washed in the designated wash racks. No animals can be washed in the stabling area or outside the building on the asphalt or grass.

RESTROOMS & SHOWERS

Restrooms and showers are available in the Pavilion. We ask that you treat them with respect.

EXERCISING OF HORSES

Horses are not to be ridden or exercised in the stable area of the Pavilion. No horses are to be exercised, lunge lined or ridden on the grass. Animals are not to be tied to fencing. The main arena can be used to exercise animals provided permission is given by the Pavilion and event management.

PAVILION FLOORS

Care needs to be taken in protecting the cement floors of the Pavilion. Plywood or some other material must be placed between the floor and the animals' feet if hoof black or other products are applied. Horses that are sharp shod will not be permitted on the concrete floors of the Pavilion.

TRASH

Trash cans are provided in and about the Pavilion. PLEASE USE THEM.

AMENDING RULES

Michigan State University, Pavilion and event management reserve the right to amend, add to and/or interpret these rules as the need arises.
